

Financial Undertaking Form (MSt)

Institute of Continuing Education

This form must be uploaded in order to meet your financial condition of admission to the chosen MSt course. Please read this form carefully before signing it.

Under no circumstances should you sign this form if you are in any doubt whatsoever about whether you have sufficient funds for the course fees and living costs, including cost of room rent, utilities, food, clothing, transport, research costs, books etc.

Failure to provide accurate and honest information about your financial situation will be treated seriously by the University and may lead to the cancellation of your admission. Under the regulations of the University Composition Fee in Chapter I of the University's Ordinances, students are required to pay fees for their course, as listed in the Table of Fees within that Chapter. In addition, under regulation 10 of the General Regulations for Admission as a Graduate Student, the Board of Graduate Studies has the power to deprive any person of the status of Graduate Student if s/he has failed to pay the fees due from a Graduate Student. Furthermore, your College may decline to present you for conferment of a degree if you have outstanding debt to your College.
